Telephones

Directory Updates

- To update your campus phone information (your name, building location, phone number) in the Lehigh directory:
  - If you are using a VoIP phone, Click 'submit a help request' below and select 'Telecommunications & Network Infrastructure'. Describe the change you are requesting.
  - If you are using the legacy phone system, contact the Payroll Office at inpayrol@lehigh.edu.

Teleconferencing

- Cisco VOIP phones (Unified Communications System): We have descriptions and setup instructions on the LTS site.
- Phone conferencing options now include Zoom. See Getting Started with Zoom and Using Zoom for Voice Calls.
