PaperCut Mobility Print

Mobility Print is a feature of PaperCut that lets you add LTS Public Site printers to your laptop, smartphone, and tablet just like a regular local printer.

**IMPORTANT:**

- Double-check that you are connected to the [lehigh](https://papercut.cc.lehigh.edu:9192/user) Wi-Fi, wired LAN, or the VPN if you are off-campus.
- macOS users: enter your [Lehigh](https://papercut.cc.lehigh.edu:9192/user) username and password after submitting a print job via Mobility Print
- Make sure you have enough PaperCut points to print. Check your points at: [https://papercut.cc.lehigh.edu:9192/user](https://papercut.cc.lehigh.edu:9192/user)

Follow the vendor instructions for your device:

- Windows
- macOS
- iOS
- Android
- Chrome OS
