The Center for Teaching and Learning is pleased to announce the opening of our new visualization lab. The lab is comprised of multiple interactive technologies that allows learners to touch and manipulate data. Learners are able to scale up their work, share, and manipulate collaboratively with multiple displays and media types. For more information about how to use or reserve time in the lab, please review the information below or email the instructional technology team at inlt@lehigh.edu.

- Vive
- MT Canvus
- Mondopad Ultra
- IDEUM Table
- Augmented Reality (HoloLens)
