Is speed dial available on the Cisco phones?

Not at this time.

How can I check my voice mail from off-campus?

1. Dial 610-758-4444
2. Press the star key
3. You will be asked to enter your ID - enter 8 and your extension/last four numbers of your Lehigh phone number (e.g. 84357)
4. Follow prompts to enter your voicemail PIN/password

What do I do if I forget my voice mail password?

If you forget your voice mail password, contact Telecommunications at 610-758-6399 to have it reset.
