

LTS Governance Home

Library & Technology Services has a number of governance committees designed to address the needs of various campus constituencies. In this area you will find the descriptions of the governance committees, their members, and meeting minutes related to their work. The committees and related information are listed in the navigation area on the left.

- [Advisory Council for Information Services](#)
- [Information Systems Steering Committee \(ISSC\)](#)
- [Cyber Governance, Risk Management, and Compliance](#)
- [Data Governance and Standards Committee](#)
- [Research Computing Steering Committee](#)
- [Online Learning Policy Committee \(Spring 2015\)](#)
