The Research Computing Team provides the Ceph service to HPC users and to all Full-time Faculty in the form of the R-Drive. For researchers needing high-availability, high-capacity storage, Ceph is a useful option.

- Research Computing page on Ceph.
- Request Ceph space at https://www.lehigh.edu/help.

- Linux or macOS shell: Connect to Ceph (or R-Drive)
- macOS: Connect to Ceph (R-Drive)
- R-Drive FAQ
- Windows: Connect to R-Drive (or Ceph)
