Email

Gmail

For all registered students, faculty and staff, LTS provides a Lehigh-managed email account, via Google's G Suite. Follow the links below to find out more.

- Access Gmail (and the most used Google tools) from our Google launcher page, https://www.lehigh.edu/google
- Client Services offers seminars throughout the year to assist users with both basic and advanced Gmail's features.
- Google's Learning Gmail is an online guide provided by the vendor for learning to use Gmail, including keyboard shortcuts, FAQs and more.
- Lehigh Google Groups are available to everyone at Lehigh to create mailing lists and online forums for ad-hoc and standing campus groups. These groups integrate with the other core Google services such as Calendar and Drive to allow document sharing, easy scheduling and messaging.

Other Tools

- Traditional Lehigh-hosted listserv groups are also available through a mailing list service called Mailman.
- Mass Mailing is handled by the Instructional Technology Team.
