Gmail

For all registered students, faculty and staff, LTS provides a Lehigh-managed email account, via Google's G Suite. Follow the links below to find out more.

- **g.lehigh.edu**: Access Gmail (and the most used Google tools) from our Google launcher page, (aka [https://www.lehigh.edu/google](https://www.lehigh.edu/google))
- **Seminars** are offered by Client Services throughout the year to assist users with both basic and advanced Gmail features.
- Google's **Learning Gmail** is an online guide provided by the vendor for learning to use Gmail, including keyboard shortcuts, FAQs and more.
- **Lehigh Google Groups** are available to everyone at Lehigh to create mailing lists and online forums for ad-hoc and standing campus groups.
  - These groups integrate with the other core Google services such as Calendar and Drive to allow document sharing, easy scheduling and messaging.
