Access the Washington Post

Lehigh students, faculty, and staff can enjoy full online access to the Washington Post, courtesy of the Lehigh Libraries. Full-text of this publication is available on campus, when using the VPN (Library/International), or through this Lehigh-specific link.

Note: unlike the New York Times and the Wall Street Journal, our access does not include the app or individual accounts.

1. Access the Washington Post homepage:

Browse or search the homepage using this link: https://login.ezproxy.lib.lehigh.edu/login?url=https://www.washingtonpost.com/regional/

2. Access an article from a link:

To get access to an article using its link, add http://login.ezproxy.lib.lehigh.edu/login?qurl= to the beginning of the link.
